(Le) Poisson Rouge is a multimedia art cabaret founded by musicians on the site of the historic Village Gate. Dedicated to the fusion of popular and art cultures in music, film, theater, dance, and fine art, the venue's mission is to revive the symbiotic relationship between art and revelry; to establish a creative asylum for both artists and audiences.

LPR prides itself in offering the highest quality eclectic programming, impeccable acoustics, and bold design. The state-of-the art performance space, engineered by the legendary John Storyk/WSDG, offers full flexibility in multiple configurations: seated, standing, in-the-round, and numerous alternative arrangements. The adjoining lounge is open during the day as a café, and at night as a secondary bar and event space. A work of art itself, the physical facilities are the embodiment of the experimental philosophy that drives the venue.

LPR is a source you can trust for exposure to visionary work, people of character, and a consistently dynamic environment. We invite you to immerse yourself in a nightlife of true substance and vitality.

Bring open mind and drinking shoes.

"A forward-thinking venue that seeks to showcase disparate musical styles under one roof...artistically planned eclecticism."

-Time Out New York

"The place isn't merely cool, as the New York Times has dubbed it, the venue is a downright musical marvel."

-Los Angeles Times

"The coolest place to hear contemporary music in New York."

-The New York Times

"Just when you thought all artistic integrity had been sucked out of NYC's cookie-cutter nightlife, Greenwich Village gets a performance space fit for orchestras and punk rockers alike."

-Shecky's
